

September 2024

Greetings Students and Faculty.

We are excited that you have chosen to participate in your clinical and practicum experiences at the facilities of Broward Health. To be compliant with the many regulatory agencies, the requirements below should be met and submitted to Complio no less than 2 weeks prior to the beginning of your practicum, clinical rotation, or internship. Please contact American Data Bank for questions or technical assistance at complio@americandatabank.com or 1-800-200-0853. The “one off” site for schools not contracted with any system is:

browardhealth.complio.com.

Best wishes for a productive experience at Broward Health.
