Customer Service

Our Customer Relations Department is open from 7 am to midnight (CST) Monday through Thursday and 7 am to 6:30 pm (CST) on Fridays. You can call toll-free at 800-497-7044. Your claim forms can be faxed in to (402) 467-7336. We will be happy to answer any questions you may have regarding a specific claim you have filed or to answer questions about benefits for dental procedures being considered.

Maximum Rewards

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Maximum Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Maximum Rewards and PPO Bonus combined

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.
