Broward HealthPoint will base eligibility for the SFS on the individual's income and family size. Broward Health will not discriminate on the basis of an individual's race, creed, color, national origin, sex, age, religion, disability, marital status, political affiliation, sexual orientation, pregnancy, or gender identify and expression. The criteria used in the SFS is based on a percentage of the most current Federal Income Poverty Guidelines as issued by the Department of Health and Human Services and published in the Federal Register.
